We advise customers with allergies to make any necessary preparations. (In-flight meals and drinks do not use peanuts as an ingredient. However, there is a possibility that peanuts or peanut by-products (such as peanut oil) could be used during the preparation and/or manufacture of meals and drinks.) We advise customers with allergies to select allergen-free in-flight meals or to prepare their own meals for on-board consumption. So that you are prepared in the event of having an allergic reaction, consult thoroughly with a doctor before travelling and carry prescribed allergy medication with you.
